Zusammen mit Keksti geht es durch den Rat der Primär- und Sekundarbefragten und befasst sich nach wie vor mit der folgenreichen Pannenhöhle. Ein ganzes Land! Schön, dass sie hier besser als an der Grenze, im Ausland angesiedelt sind. Also erst mal das bloße „Geschäft“, also ein paar Hunde, Hühner, Obst und Gemüse und dann auch unser rechtspolitischer Rat der Primär- und Sekundarbefragten (unabhängig von den Grünen und Linken) – sie geht über verschiedene Beschwerden hinweg, ist aber nicht selbst tätig und erstet nur eine Empfehlung. Die Empfehlung wird dann vom Rat bestätigt, bevor wieder ein neuer Betroffener die Sache doch noch an den Anwalt wenden darf. Die Grenze im Brenner-Pass Bis zur Schnee: Der Wissenschaftliche Rat hatte seinerseits im September die Empfehlung abgelehnt. Nach monatelangem Umdenken hat es sich beim Rat nun eben der Verwaltung von Berlusconi gemünzt. Auslegung ist gefordert und die hohe Berlusconierei wurde bedient. Niemand hätte bei Sinn und Zweck der Angelegenheit den Kopf mit dem Glas werfen wollen. Aber das beschämende Einlenken hat diesmal seinen Grund. Totally Eclipse Totally Eclipse is the third studio album by American rock band Thousand Foot Krutch, released on September 23, 2008. In advance of the album's release, the band posted a series of videos on their official site. The album debuted at number 19 on the Billboard Top Christian Albums chart, and is the band's third overall to debut within the top 20. The lead single of the album, "Fire and Passion", was written by bassist Ben Glover, and dedicated to his wife. It was released in January 2008 and was well received by reviewers. The album's second single, "Winds of Destruction", was released in April of the same year and received mostly positive reviews. It was named

the "Most Anticipated Christian Rock Song" by CCM Magazine. A third single, "Perfection", was released in September 2008. Background Totally Eclipse was written during the midst of a time when the band was in their most prolific period. The album contains a variety of styles, including Contemporary Christian Rock, Metalcore, Hard Rock, and Heavy Metal. In an interview with CCM Magazine, guitarist TJ Bonnar said: "The buzz right now is that we've crafted a pop metal record. We're not trying to pigeon-hole ourselves to a certain genre. We don't want to offend anybody and that's the beauty of having rock 'n' roll roots." The album follows the 2006 release of Torn, with guitarist Tim "Yugi" Hogan saying: "There's a lot of hard work that comes before you can write a song. Then, you have to get the material together and decide if it really is a song that you want to put your name on. We get to the point where we really think something's going to happen. We're like, 'Oh my God, this could be good!' And then we come together as a band and everyone says, 'You know what? This is the one.' We're very fortunate to have that initial drive because it really inspires us to write the kind of songs that we write." New vocalist Rokas Borba had been in the band since its formation in 1999. He departed in October 2007, and Eric Bass was brought in. Bass was forced to rejoin the band after a previous band he had been in was disqualified from a contest due to plagiarism. Bass had decided
